CHICAGO REGIONAL COUNCIL OF CARPENTERS
MEMBERS ONLY BENEFIT PACKAGE

UPDATED FREE BENEFITS INSIDE!
Carpenters Brothers and Sisters,

A union membership means more than having a job. It means building a career. To have a career means having the strength, protection and peace of mind because of union benefits. Collective bargaining agreements (CBAs) and an experienced staff help empower and safeguard you in the workplace, day in and day out. While away from the job site a union membership protects you and your family by delivering health care and retirement benefits. Union membership provides a foundation of skill-advancement training as a constant source of personal enrichment and career progression.

The Chicago Regional Council of Carpenters prides itself on positioning members for success and helping them build careers. As a member in good standing with the Chicago Regional Council of Carpenters, you and your family are eligible to take advantage of some brand-new benefits that are being offered.

Our ability to provide these benefits to you at no cost is the result of a coalition of unions that we have built and our collective purchasing power to drive down prices from benefit providers. In addition to the Chicago Regional Council of Carpenters this group—the Midwest Coalition of Labor—includes the International Union of Operating Engineers Local 150, the International Union of Operating Engineers Local 399, the LIUNA Chicago Laborers’ District Council and the International Brotherhood of Electrical Workers Local 134.

This coalition represents more than 100,000 working men and women across the Midwest. As more unions join the Midwest Coalition of Labor, we will look to add additional members-only benefits.

The Chicago Regional Council of Carpenters commits to working in the best interests of our brotherhood by providing a foundation of support and protection for you and your families throughout your working careers and into your retirement.

In solidarity,

Gary Perinar
Chicago Regional Council of Carpenters
Executive Secretary-Treasurer

IDENTITY RECOVERY COVERAGE

What would you do if you or your loved ones’ identity was stolen? Who would you call first? The police, your bank, the credit card companies? Then what? People whose identities are stolen can spend months and thousands of dollars dealing with the fallout of ID theft and fraud, be it financial, medical or even criminal fraud. Without the assistance of an experienced case manager, unraveling identity theft fraud can take even longer. When you have Hartford Steam Boiler (HSB) Identity Recovery Coverage, recovery begins with a simple call to HSB’s identity recovery help line.

FEATURES:
- Free Family Coverage
- Identity Recovery Case Manager
- Expense Reimbursement
- Limited Power of Attorney (option)
- Identity Recovery Help Line

WHAT SERVICES ARE INCLUDED?
Identity recovery case managers use their resources and skills as licensed investigators to guide you or your family member through the steps to correct your credit history or identity records. They go beyond credit to detect ID fraud that would not show up in credit-related data.

Services include, but are not limited to:
- Responding to victim’s questions;
- Working with the three national credit repositories (Equifax, Experian and TransUnion), creditors, financial institutions, collection agencies and others to identify errors and help union members correct their records;
- Searching various noncredit databases/sources, i.e., DMV, local county criminal data, Social Security Death Index;
- Requesting a fraud alert with credit repositories where warranted;
- Preparing communications for union members to send to the Social Security Administration, your state’s department of motor vehicles and other government entities;
- Working with union members to check for a recurrence of identity theft problems;
- Keeping detailed records of the steps taken and remaining in the process.

SCHOLARSHIPS

CREATED JUST FOR YOU AND YOUR FAMILY

You may have heard that there are scholarships out there “with your name on them.” Trouble is, your dependents have to put in a lot of work to find those scholarships. Union-specific scholarships are often the easiest to receive because there is far less competition than national scholarships and the scholarship judges may already be familiar with you and your family. Your dependent is encouraged to apply for the four scholarships identified below. As a member of your union, your dependents are eligible for these scholarships.

COALITION OF UNION LABOR CREDIT UNION

BANKS ARE FOR PROFIT, CREDIT UNIONS ARE FOR PEOPLE.

Credit unions typically have lower fees and higher interest rates on deposits, and you can’t beat the emphasis on customer service. Credit union tellers, representatives and loan officers understand the industries in which their union members work and know what types of services members need throughout the year.

In the aftermath of the Great Recession, our credit union board members voted to give union members the option to skip two mortgage payments to help out with financial hardship. Ask yourself-would a private bank ever do that?

Our credit union exists solely to serve our union members by providing financial products on the most favorable terms we can afford to offer, and that is what we do best.
