

A HEAD START ON A REWARDING CAREER

Whether a Career Connections graduate earns a four-year degree or chooses to start working right after high school, we help young people get a head start on a rewarding career in union carpentry. All Career Connections graduates earn entry to our **debt-free apprenticeship program**. Certified Career Connections graduates may receive **dual enrollment credit** through an accredited college program.

SUPPORTING STUDENTS

- ▶ **WE MEET YOU WHERE YOU ARE.** Our curriculum meets young people at their educational level, setting them up for success.
- ▶ **LEARN BY DOING.** Classroom education ties directly into hands-on experiences.
- ▶ **EXTRA CREDIT!** Certified Career Connections graduates may receive dual enrollment credit through an accredited college program.
- ▶ **IT'S WHO YOU KNOW.** Networking and career opportunities to help connect students to employers in the construction industry.

ST. LOUIS-KANSAS CITY CARPENTERS REGIONAL COUNCIL

IMPROVING LIVES.
BUILDING COMMUNITIES.

Are you ready for cutting-edge technical skills, a pathway to a good-paying job, and excellent benefits? Then check out Career Connections!

EMPOWERING YOUTH TO REBUILD AMERICA'S INFRASTRUCTURE

From building roads and bridges to innovative housing and green buildings, union carpenters are up to the task. Career Connection students learn the basic, hands-on carpentry skills needed to prepare them to enter our apprenticeship program. Career Connections offers young people a pathway to a reliable, **good-paying career with excellent benefits** as a union carpenter.

PARTNERING WITH EDUCATORS TO ENSURE SUCCESS

We work in partnership with educators to provide students the practical STEM skills they'll need to be admitted to our debt-free, apprenticeship program. Career Connection students learn the foundational skills to better understand **cutting-edge technology, industry-standard software, and advanced machinery**. Educators interested in partnering with Career Connections will receive support, training, and resources, **setting you up for success**.

SUPPORTING EDUCATORS

- **WE TRAIN!** Career Connections offers professional development and training for interested educators.
- **WE CAN HELP WITH SUPPLIES.** Resources cost money, and we have ways to help, just ask.
- **WE GOT YOUR BACK.** A dedicated Career Connections Coordinator will provide ongoing support.
